Breast cancer survivors are cordially invited to attend a swim wear trunk showing. Suits may be tried on and most are priced at \$35 each.

Amoena swim wear gives women the confidence to show off their figures and be active again, whether on the beach or in the pool. Clever tailoring translates into high quality swim suits that are both stylish and comfortable to wear. Each suit features pockets that hold a breast form securely in place. In addition to the forms and lingerie Freeport Home Medical Equipment regularly offers in our mastectomy boutique, this year we have purchased a limited inventory of swim wear from Amoena, one of our suppliers of mastectomy products. These swim suits are being sold for cash or checks only, no credit cards.
